INTEROFFICE MEMORANDUM

TO: Chief Mark Renkens 
FROM: Sergeant Michael Smith 
DATE: March 20 2017
SUBJ: Administrative Review for DR # 16-006701

Summary:

On August 2, 2016, at about 1917 hours, Palm Bay PD dispatch received a 911 call from from [REDACTED] stating that she was involved in a domestic disturbance [REDACTED] Demarco Newman [REDACTED] advised dispatch that she had locked herself in the bathroom, and that Newman had a gun and was trying to gain entry. She further advised that Newman stated he was going to have a 'shootout with the police. During the 911 call, Newman made entry to the bathroom and the line disconnected while [REDACTED] screamed, 'Please leave me alone' and 'Please don't, I didn't do anything.

Road patrol officers responded and tried to make contact with Newman, however were unsuccessful. The SWAT and Crisis Negotiation Teams responded to the scene and were unsuccessful with attempts to contact Newman as well. SWAT team members later shattered the front apartment window and for the couple, however received no answer. They then breached the front door and called out again. Jones answered and advised that she was in the bathroom, had been shot, and was bleeding. Newman challenged officers to come in and get him, advising he was armed. Newman refused to surrender.

SWAT team members moved in to rescue Jones. Sergeant Ribnický confronted Newman, firing multiple shots and ending the threat. Newman was pronounced dead at the scene. Jones was transported to the hospital with life-threatening injuries. FDLE responded to the scene and investigated the incident, forwarding their conclusion to the Office of the State Attorney.

On November 1 2016, State Attorney Phil Archer responded to FDLE with a finding that 'the use of force by Sergeant Ribnický was lawful and proper under the provisions of Chapter 776, Florida Statutes.

Investigation:

The Internal Investigation review of this case consisted of the 911 calls and radio traffic; officer written reports; FDLE investigation documentation.

Conclusion:

It is the opinion of the Office of Professional Standards that the force used by Sergeant Ribnický was appropriate and within Palm Bay Police Department policy **G.O. 201.3 (A)(1) Use of Force in Defense of Person**. An officer or DBS is justified in the use of deadly force only if they reasonably believe that such force is necessary to prevent imminent death or great bodily harm to themselves or another or to prevent the imminent commission of a violent felony.

Sergeant Ribnický was justified in the use of deadly force by discharging his firearm at a perceived threat to protect himself and the officers on the contact team, and to save the life of the Amy Jones. The Office of Professional Standards finds that no further action is required regarding this matter.

End of report.
